The Brennan Group is your first line of defense against unfair tax assessments and overpriced recurring expenses.

We help you defend your bottom line.

YOUR BUSINESS IS YOUR KINGDOM. Any unfair assault on it should be properly defended. You may be under attack by being overtaxed and not even know it. If you are treating your real estate and personal property taxes as fixed expenses, you may be paying substantially more than you should. These taxes and other expenses deserve a second look by a respected expert in tax reduction.

We are The Brennan Group, defenders against unfair taxation and overpriced recurring expenses. Our nationwide network of professionals specializes in managing and reducing property tax liabilities. We have analyzed and appealed thousands of properties, saving our clients millions of dollars.

There is absolutely no risk to you.

Today's business strategies require that companies keep watch over every line item. The Brennan Group helps you stand guard by reviewing your sales & use tax systems to minimize exposures and identify overpayments. In addition we can assist you with monthly compliance reporting so that your staff can attend to higher priority tasks. Our cost management experts ensure that you receive the best utility and telecommunications services at rates that maximize above the line savings. Best of all, our process is non-invasive – requiring very little of your time.
